# **NEW Unclaimed Property Lists Published Statewide Starting April 2<sup>nd</sup>**

*Time to start looking for any forgotten money!*

(Madison) Wisconsin State Treasurer Kurt Schuller starts today the publishing of all new names received in 2013 attached to Unclaimed Property in the Office of State Treasurer. The listings will appear in newspapers statewide over the next three months.

Each year corporations turn over cash, securities and the contents of safe deposit boxes to the Office of State Treasurer. The Unclaimed Property Unit helps reunite Wisconsinites or former Wisconsin residents and businesses with lost funds.

“We want people to have their money,” Treasurer Schuller said. “We have more than \$400 million in unclaimed property in our Treasury account. My staff works hard to get these financial assets or items back to rightful owners and heirs.”

The public notices will begin April 2 in Fond Du Lac County and end June 28 in Sauk County. The papers of record in each county will list the new names received this year. Please be sure to look for your name or names of relatives and friends and begin the process of claiming money. A schedule of publication dates for each county is attached with this news release.
